Problem-solving session 5: Cisco Binary Game

Note: Cisco Binary Game is the Moodle assignment. In-class work will be different.

Cisco Binary Game is a way to learn binary numbers for networking.

Game link: <https://learningnetwork.cisco.com/s/binary-game>

Perhaps you will need to log in to cisco.com to use this link (it will be necessary to create an account if you do not already have one).

Please show your skills in binary numbers till the 4th level when guide numbers are deactivated (upload screenshot into Moodle):
